## **Academy/Home Agreement**

Upon opening the academy for learning bubbles to attend, it is not possible for us to eradicate risk, however we will work in partnership to minimise risks to pupils, families and staff.

**Provide part time provision for pupils of critical covid 19 workers.  **Put plans and procedures in place to limit pupil interaction to their learning bubble.  **Ensure that health and hygiene is addressed through a strict cleaning regime using suitable cleaning products and equipment.  **Provide suitable equipment/PPE for occasions when this is required.  **Limit access to the academy site to essential visitors only.  **Stagger drop-off and collection times to avoid groups gathering and support social distancing.  **Work to support every child's social and emotional well-being and ensure that children feel safe and comfortable when attending the academy.  **Utilise learning opportunities when on site.  **Promote social distancing and put routines and structures in place to limit interaction and contamination.  **Adhere to staff guidelines and risk assessments  **Continue to provide high standard home learning opportunities for those pupils not attending.  **Ensure that they have thoroughly read all guidance and information shared.  **Discuss with the academy any questions, queries or concerns.  **Ensure that they have thoroughly read all guidance and information shared.  **Discuss with the academy any questions, queries or concerns.  **Ensure that the academy is informed if their child or a member of the household displays any symptoms (even mild) of Covid 19 and not send their child to the setting, for the safety of other children and staff in the learning bubble.  **Adhere to expectations regarding uniform/clothing, drop-off and collection timings and social distancing.	critical covid 19 workers.
