

Information for Parents and Carers of children with Autism

If your child has a diagnosis or working diagnosis of Autism Spectrum Condition then you may find the following organisations useful for further information/support. Please contact our school SENDCo, Mrs Rachel Wright, for any additional information or advice.

The **Autism Outreach Team** are part of the Specialist Support service for Staffordshire Local Authority. They work with children and young people aged up to 18 years with a diagnosis or working diagnosis of an autism spectrum condition and work with parents, carers and schools. They offer advice and training to mainstream settings supporting pupils with an autism spectrum condition.

Midlands Psychology are a social enterprise commissioned by Staffordshire for Autism diagnostic assessments. They offer a range of assessment, therapeutic and support services to meet the needs of children, young people and adults including post diagnosis services. Referrals can be made by your GP or by Mrs Wright in school (please note that if your

child is aged 5 or under then they will need to be referred by a Paediatrician for assessment).

Parents Support Group (Rugeley ASD Support Group)

This group has been set up by parents of children with Autism, for other parents/carers or relative of someone on the autistic spectrum. Their aim is to offer support to each other and have regular informal meetings in Rugeley. Occasionally they might have guest speakers but always offer tea, coffee, biscuits and plenty of chatting. The group has an active facebook group to allow a positive and supportive page in which parents and carers have confidence to share good times & bad.
